The logo for 'itas' is written in a red, cursive script font. It is positioned on a white semi-circular background that overlaps the orange header area.

Introduction

Our Services

## INTRODUCTION

### ***About ITAS***

ITAS (IT Automation services and Software house) was created to address the need for professional IT consulting , like Web Development , ERP Implementation. We enable you to become more efficient streamline your operations and grow to your true potential with the power of technology. Unlike other software companies, ITAS strives to partner with your business to implement solutions that you need. We do not try and sell any unnecessary services. We believe that technology plays vital role for grooming people and busineses. That's why we always try to help people in achieving their objectives by using best technologies and solutions.

**Our Vision :**

"Strengthen the humans to equip what they envisage."

**Mission:**

**To alleviate the future of technology making it contingent for students,employees,customers and innovators.**
